

Panhellenic Council Newsletter

December 2005

Dear Readers:

Exam time is upon us. The promise of holiday break beckons from just around the bend of those three exams, two term papers, and final project. For Wake students, the first few weeks of December are a test in time management and late night caffeination techniques. It also means the installation of new sorority and Panhellenic councils, new executive boards who will serve from January to the following December.

Enjoy December's updates and please take a moment to recognize these women who have been chosen by their peers to serve in these important offices.

Best wishes for a happy and safe holiday season,

McLean Robbins
