March 2008

With Spring now upon us, Wake Forest's sororities and Panhellenic Council are getting down to business after the chaos of Formal Recruitment. All the sororities are thrilled to welcome the new initiates into their sisterhoods and are celebrating with many social and philanthropic events. This March, many Greek women took part in Wake 'n Shake, Phi Mu's Charity Denim and Delta Zeta's Turtle Tug just to name a few. The Panhellenic Council is also excited to welcome its new council chairs and delegates. We look forward to a great Spring semester and enjoy your March!

CHI OMEGA

In February we had our date function, Hoot n' Holler, with our new pledge class! Our Big Sister Revelation Week was the week of February 11th. We revealed the big/little pairings on the 15th after a week of giving fun Chi Omega gifts. For the month of March we have Initiation on March 2nd for the new members. On March 6th we are having a sisterhood event and going to the Twin City Cyclones games all together! After spring break we are planning a "grab a date" function that has a surprise theme. It will be such a great month with our newly initiated members! -Fran Haas

DELTA ZETA

DZ has had a pretty busy last couple of months! In January, the main focus was on formal recruitment, which paid off because we got a great class of New Initiates. We also had our first date function of the semester, DZ Debut, which was a blast! In February, we had Initiation which was very successful. We also had the Killarney Rose Semi-Formal which was a great time! Lastly, coming up in March, we are really excited about Turtle Tug on March 19th and the jersey days that we will be having. - Sarah Gabriel

KAPPA DELTA

February has been a busy and exciting month for Kappa Delta sisters and the new members. On February 7, sisters attended a dinner which raised funds for the upcoming Wake 'n' Shake dance marathon. We also had a dinner in the lounge on February 14, for sisters as a Valentine's Day celebration called "Wild Hearts Run Free". New members received their "big sisters" on revelation day, the 20th. On the 23rd the new members participated in Lynks Society Education Day. On the 4th and 5th members of our Girl Scout troop came to campus to sell cookies to students and sold over 1,000 boxes of cookies, more than doubling the goal of 500!

We are all eagerly looking forward to the month of March! Kappa Delta will kick off the month by initiating our new members on March 4. They have gone through a long education process and we will be so excited and proud to finally call them sisters! We are all excited about having a relaxing Spring Break; however, when we return we will be gearing up to promote and prepare for one of our biggest philanthropies, Mr. Wake Forest, which benefits Prevent Child Abuse America. This event is being held on March 30 and is guaranteed to bring many laughs to all who attend. Also, sisters will continue to help our adopted Salvation Army Girl Scout troop each week. This semester doesn't look like it will slow down anytime soon and Kappa Deltas continue to be enthusiastic about all the events we have in store!-Jen Repucci

KAPPA KAPPA GAMMA

Kappa Kappa Gamma had a leadership day with all the other North Carolina chapters at the University of North Carolina in Chapel Hill. In addition, we also had our own leadership day with all or out advisers here at Wake Forest. The sisterhood had a great time at semiformal in February and we are currently preparing for Queen for a Day. We just had a bake sale to raise money for this great philanthropy. Initiation was a couple of weeks ago for new members. Finally, as a chapter we are working on improvements regarding ritual practice and council planning calendars. –Lauren Kulp

TRI DELTA

Tri-Delta has had a busy semester so far. This January our CDO visited, we conducted officer workshops, celebrated Pledge Night with our new members and had a great Formal. In February we initiated our new members on the 22nd and the 23rd and celebrated our Semi-Formal date function on the 28th and 29th. The founders of the Gamma Kappa chapter visited our sisterhood which was very exciting. Finally, this March we will have a St. Patrick's Day mixer with Sigma Alpha Epsilon and working on Mom's Weekend and Senior Week great successes. –Kelly Conlin

PHI MU

We initiated our new pledge class on Sunday the 2nd. Our annual philanthropic event, Charity Denim, will return on the 4th, on which we will also celebrate our Founders' Day. We also had a team participate in Wake n Shake. In the month of March, we have two date functions: a surprise Grab-a-Date at Foothills and our annual Phiesta. We will be also be doing our campus-wide Easter egg hunt on the 24th. At the end of the month, we are organizing a sisterhood trip to the North Carolina Zoo in Asheboro.
- Katie Li

PI BETA PHI

During the month of February Pi Phi successfully carried out both their biggest Philanthropy and one of their biggest date functions. Pancake Phest, the Pi Phi philanthropy, was a huge success and everyone had a great time at Crazy Hat, Pi Phi's first date function of the year. In the last week of February Pi Phi had their Grab a Date function, a much needed break from mid-terms. In addition to this, Pi Phi's New Members received their big sisters at the beginning of the month and were just initiated on March 2nd. Pi Phi had a Valentine's Day cookie making sisterhood and also put together a group of girls for Wake 'n Shake! In March Pi Phi has their My Tie date function on March 27th and we will have a sisterhood Easter Egg Hunt the week after Easter. –Danielle Schovee
