

Re-Admit Student Housing

By completing this application, your name will be submitted to the active list of Resident Students re-admitted to the university who are seeking housing in the residence halls. Our office will access this list only after all currently enrolled Resident Students (students who are guaranteed housing) have been assigned. Applications will be considered in the order of date and time received. It is your responsibility to keep this office informed of any changes of address or phone number. In the event housing becomes available, the Office of Residence Life and Housing will contact you.
