

Campus Lofts for Summer School students - 2008

Lofting beds will be easy for summer school students with Campus Lofts. All lofts used for Summer School in Taylor Hall must be rented from the Office of Residence Life & Housing. Constructing of lofts will not be permitted for the summer sessions. If you are interested in renting a loft for your bed for the summer school sessions, email housing@wfu.edu. Each session will cost \$40. In your email, please include your name, and a clear explanation of your request for a loft. We will then look to your Summer School Housing Application to determine the number of sessions that will be attended.

If there are any questions, please contact the Office of Residence Life & Housing in Benson 101 at x5185 or www.wfu.edu/housing.
