

## **How to find a BCBS in-network doctor online**

1. Go to [www.bcbsnc.com](http://www.bcbsnc.com)
2. At top of BCBSNC homepage, click on Find a doctor
3. Type in zip code or select county
4. Select desired specialty
5. Select gender if you have a preference
6. Select language if you have a preference
7. Type in provider's name, practice or hospital affiliation if you are specifically looking for that doctor or practice
8. Click on Find Doctor now
