

OLD GOLD

Intramural Sports Fraternity Cup and Sorority Cup Scoring System

Overall Goals:

- Give greater recognition to the athletic accomplishments of the Greek organizations on campus.
- Enhance the bonds of brotherhood and sisterhood amongst the fraternities and sororities on campus.
- Increase Greek participation in all intramural sports
- Advance awareness and pride within Greek organizations as it relates to their intramural sports teams.
- Provide a true and legitimate inter-Greek competition for Wake Forest University students.

General Rules:

- All teams must participate in at least 75% of their scheduled games or all their results and participation points will be invalidated.
- Playoff wins will not be taken into account for this competition; however, playoff forfeits will be treated the same as those that occur during the regular season and will still be a part of the 75% completion requirement.
- In all sports listed below, each team is permitted to have one and only one player on its roster who is not an active member of their Greek organization. A violation of this rule will result in the invalidation of the team's results and participation points. Exceptions to this rule are noted below.
- Please see Intramural Policies and Procedures for forfeit and default qualifications.

Individual Sports:

Table Tennis, Individual Tennis, Racquetball

Special Requirements:

- In order for a doubles team to be eligible for Frat/Sorority Cup participation, both players must be active members of the same Greek organization.
- Each fraternity and sorority is limited to four singles players and two doubles teams that can represent their Greek organization in Frat/Sorority Cup. You must declare upon signing-up that you are representing your fraternity or sorority in one of these sports.

Regular Season games:
