Prices include personnel to operate the video conferencing system except for the Portable* system.				

Staff may not be available for after hours, weekends, and holidays. Events must be scheduled two weeks in advance.

Schedule video conferences one week in advance to ensure room availability.

*** The Portable Video Conferencing system will be delivered by Media Solutions. The end user will receive training on how to operate the system. If you require a member of Media Solutions to operate the system see Technician Rates below.**

** Line charges only apply to ISDN (H.320) video conference calls dialed from Wake Forest University	
The rates below apply to the Continental U.S. only. International conferences will require a quote per call.
