The Southern Association of Colleges requires that we keep records of graduate level work. Please fill out this form and return it to the MALS Administrative Coordinator before enrolling for MALS 786 – Directed Study.

Please note the following:

- Faculty instructors should be part- or full-time at Wake Forest University.
- Faculty should be aware that MALS does not reimburse them for supervising directed studies.
- The faculty instructor's chair will need to sign this form.
- Directed Studies for MALS students are always MLS 786, not departmental Directed Studies.
- A Directed Study may not be on exactly the same topic as the student's thesis.
