

The NIH/Oxford/Cambridge Scholars Program

Scholarships for Students Seeking PhD and MD/PhD
Training in Biomedical Research

*An opportunity for exceptional students to train at the cutting edge of
biomedical science*

➤ **Fully Funded**

Tuition, stipend, travel, health insurance & MORE!

➤ **World Class Faculty and Research Facilities**

PhD--training typically 2 years at the National Institutes of Health
and 2 years at Oxford University or Cambridge University
MD-- training at top US medical schools through the
Medical Scientist Training Program (MSTP)

➤ **Accelerated Degrees**

PhDs in as few as 3-4 years
Lab-based training; No required coursework or rotations

➤ **International Collaborations**

Each student designs and leads a scientific collaboration jointly conducted
by NIH and Oxford University or Cambridge University labs

➤ **Multi-disciplinary Approaches**

Access resources from across scientific disciplines and around the world in
pursuit of discoveries leading to treatments, cures and prevention of disease

APPLICATION DEADLINE: JANUARY 8, 2007

**HELPLINE: for questions about Scholars Program or application
assistance (301) 762-6155 or rosen@biomedalliance.org**

ONLINE APPLICATION: NO FEE!

gpp.nih.gov/Applicants/ProspectiveStudents/AppInfoProspective.htm

Students may apply to both the NIH-University of Oxford Program (in Health
Sciences) **AND** the NIH-University of Cambridge Program (in Biomedical Sciences)

A conference call for **students** interested in learning more about the NIH/Oxford/Cambridge Scholars Program will be held on December 7, 2006 at 8:00pm (EST). Students need not participate in the call to apply to the Scholars Program. Those interested in participating in the conference call should contact JoAnn DeCesaris at (301)762-6155 or jdecesaris@biomedalliance.org. A dial-in number and passcode will be provided.
